

CONTINUING EDUCATION REPORT FORM

Christian Church (Disciples of Christ) of Mid-America

The annual Continuing Education requirement for the Mid-America Region is 15 total credit hours.

Continuing Education hours can come from a variety of sources, including: Books, Conferences, Classes, Seminars, Workshops, Trainings, Webinars, Videos, Websites, and other Media, etc. For each source you document, please indicate which of the 16 Ministerial Practices/Competencies it helps you explore. For assistance with this, please refer to the 16 Ministerial Competencies - Document of Reference, which can be found online using the following link: https://form.jotform.com/223125996297165.

Please note: Your credit hours for each CE activity is the total number of hours invested. Since it is beneficial to draw from a variety of sources, the Mid-America Region asks that you please document at least 9 CE credit hours from sources other than books.
