

Ekklesia @

a progressive campus ministry

Hey Disciples!

Are you, or someone you know and love, headed to Missouri State? If so, we'd love to meet you!

Ekklesia is a progressive campus ministry historically affiliated with the DOC, UCC, ELCA, and PCUSA. We've been on campus since 1961 and have had a DOC Campus Minister for over 30 years. We gather for Bible study, worship, fun, food, trips, and to serve the community together. We also offer internships and Peer Minister positions for students who want to be more involved or are discerning a call to ministry. Everything that we do revolves around the question, "How are you going to serve the world that God loves?" We'd love to help you find your place at Missouri State.

To get connected and receive updates on upcoming events (like our Fall Welcome Dinner for incoming students), go to www.ekklesiamsu.org, click on "Getting Involved" and fill out the form with your info.
